Machine Learning Engineer

ML engineer with 3 years training and deploying classification and NLP models.

Skills

Python, Machine Learning, scikit-learn, PyTorch, SQL, Pandas, NLP, Docker

Experience (3 years total)

- ML Engineer, Insightly (2023-2026): built a churn prediction model (AUC 0.91) and an NLP ticket classifier deployed with Docker.
- Data Science Intern, MedAI (2022-2023): feature engineering with scikit-learn and SQL.

Education

M.Sc. Computer Science (AI), Cairo University (2022)
